- 2014 International Conference on Shaken Baby Syndrome/Abusive Head Trauma. Keynote Talk: “Diagnosing abusive head trauma: The challenges faced by clinicians.” Paris, France, May 5, 2014
- 2015 Visiting Professor, Department of Pediatrics, Mass General Hospital, Boston, MA, April 7, 2015
- 2015 2015 New York City Abusive Head Trauma/Shaken Baby Syndrome Conference: “Abusive head trauma: New Studies and case reports in 2015” (keynote talk). New York, NY, September 17, 2015
- 2016 Pediatric Grand Rounds, “Five decades since Kempe’s publication of ‘The Battered

Curriculum Vitae

John M. Leventhal, M.D.

Child Syndrome’: Lessons learned.” Montefiore Medical Center, New York, NY, January 13, 2016

- 2017 2017 New York City AHT Conference. Keynote Talk, September 14, 2017
- 2017 Harry Bain Visiting Professor, The Hospital for Sick Children, Toronto, CA, November 1-2, 2017
- 2017 Pediatric Grand Rounds, Hershey Medical Center, PA, November 14, 2017
- 2018 Chadwick Lecture at the 2018 San Diego Child Maltreatment Conference, San Diego, CA, February 1, 2018

Editor

- 2000 - 2001 Co-Editor, Child Abuse & Neglect, The International Journal
- 2001 - 2006 Editor-in-Chief, Child Abuse & Neglect, The International Journal
- 2007 - 2013 Consulting Editor, Child Abuse & Neglect, The International Journal

Editorial Boards:

- 1995 – 2018 Associate Editor, Clinical Child Psychology and Psychiatry
- 1996 - 2000 Associate Editor, Pediatric & Adolescent Medicine Reports
- 1988 - 1999 Child Abuse & Neglect, The International Journal
- 1990 - 2004 Journal of Clinical Epidemiology
- 1993 - 2004 Journal of Pediatrics and Child Health
- 1994 - 1996 Yale Children's Health Letter
- 1999 - 2001 Journal of the Ambulatory Pediatric Association
- 2010 - The Quarterly Update: reviews of current child abuse medical research

Journal Reviewer:

- 1981 - Reviews for other Journals (including Pediatrics, JAMA, etc.)

Current Grants as P.I.

Curriculum Vitae

John M. Leventhal, M.D.

07/99-06/19 Child Sexual Abuse Clinic, Department of Public Health, State of Connecticut, \$114,000 per year

07/01-06/19 Judicial Branch, Office of Victim Services, Victims of Crimes Assistance, State of Connecticut, \$204,000 per year

07/05-06/19 Child Abuse Program, Department of Children and Families, \$654,000 per year

Previous Grants as P.I.

01/98-09/15 Nurturing Families Connecticut - - Child Abuse Prevention, Children’s Trust Fund, State of Connecticut, \$850,000 per year

09/07-08/09 Integrating Well-Women & Well-Baby Care To Improve Parenting and Family Wellness, NIH, \$275,000

Previous Grants as Co-I.

7/11-6/12 Child Abuse Prevention One-Year Medical Student Research Fellowships, Doris Duke Foundation, \$110,000

4/12-3/16 Children’s Memorial Hospital, National Institute of Child Health and Human Development, P.I. Mary Clyde Pierce \$12,413

Supervision of Medical Students

Student	Year of Graduation	Title of Thesis	Comments/Awards
Alix Handelsman	1980	Assessment of early infancy in children with failure-to-thrive: A pilot study	
Cynthia B. Aten	1981	Infant feeding, health behavior and hospitalization: A case-control study	
Richard Rossin	1984	The communication between pediatricians and children and preparation for the Otoscopic examination	

Curriculum Vitae

John M. Leventhal, M.D.

Richard B. Garber	1985	An evaluation of a hospital-based program for the prediction and prevention of child abuse and neglect	Harold Lamport Research Prize for the Outstanding Thesis (5/85)
Susan A. Thomas	1987	Childhood fractures: Distinguishing accidents from abuse	Ferris Prize for Morphology (5/87)
David M. Stier	1989	The epidemiology of child abuse and neglect: Is young maternal age a risk factor?	Sandoz Prize (5/89) Fifth year supported by the American Heart Association
Kathleen A. K. Kline	1990	A meta-analysis of self-esteem in chronically ill children	
Denise Kung Ilnat	1991	Development of an instrument to identify newborns at risk of child abuse and neglect	Fifth year supported by the American Heart Association
Sara Dobbs	1992	Intergenerational patterns of child abuse	Sandoz Prize (5/92)
Stephanie Falcone	1993	Placement of children born to women who received no prenatal care	
Dara Thomas	1995	The identification of differences in child maltreatment cases from 1968-69 and 1990-91	
Jilda Vargus	1995	Long-term follow-up of high-risk infants and a comparison group	
Eric Frehm	1997	Perinatal prediction of maltreatment of changes of caretaker in children born to cocaine-abusing mothers: The test of a screening instrument	
Sujartha Singarachalu	1999	Fractures in young children: Determining patterns of abuse	

Supervision of Medical Students

Student	Year of Graduation	Title of Thesis	Comments/Awards
Suruchi Chandra	1999	Maltreatment of children born to teenage mothers: comparisons from the 1960s to 1990s	Fifth year supported by the American Heart Association
Clovene Hanchard Campbell	1999	The use of a structured clinical rating scale in the postpartum period to predict child maltreatment	
Bridge Broz	2000	A clinical description of cases of abusive head trauma in children	

Curriculum Vitae

John M. Leventhal, M.D.

Lisa Eiland	2000	Abuse of pregnant adolescents: A study of prevalence and associated factures	
Caroline Harada	2001	Injuries in young children: The clinical spectrum in a pediatric emergency department	
Claire Stylianopoulos	2002	Medical costs of child maltreatment: Yale-New Haven Hospital and Connecticut	
Clare Nichols Drebitko	2003	Attitudes and beliefs of adolescent females with negative pregnancy tests	
Martine Solages	2005	Evaluation of Yale-New Haven Hospital's Healthy Families Program	
Ilse Larsen	2006	Epidemiology of fractures in young children over three decades	
Kira Bona	2006	Children's statements concerning sexual abuse	
Lindsay McGuire	2008	Pediatric consultation to Child Protective Services: The role of expert opinions	
Jocelyn Ronda	2011	The accuracy of coding injuries due to child physical abuse	
Jennifer Duffy	2013	Characterization of maltreatment and risk patterns among participants in a child abuse prevention program	Fifth year funded by Doris Duke Foundation
Anneka Hoofst	2013	Identification of Physical Abuse Cases in Hospitalized Children: Accuracy of ICD Codes	Fifth year funded by Doris Duke Foundation (University of Nevada Medical School, Reno)
Barbara Chaiyachati,	2015	CPS outcomes for children enrolled in Connecticut's child abuse prevention program	Two years of funding from the Chapin Hall Doris Duke Program
Katherine Buesser	2018	Inter-rater Reliability of Physical Abuse Determinations in Young Children with Fractures	Co-thesis advisor with Melinda Sharkey, MD, Ped Orthopaedics

19. Sabbeth BF, Leventhal JM, Emmons EB: Fathers of chronically ill children: Styles of coping with helplessness. (Presented at the 20th Annual Conference of the Association for the Care of Children's Health, May 8, 1985)
20. Leventhal JM, Garber RB: Do Clinicians correctly identify infants during the post-partum period who are at high risk for child maltreatment? (Presented at the 26th Meeting of the Ambulatory Pediatric Association, May 8, 1986)
21. Alario A, McCarthy PL, Markowitz R, Kornguth P, Rosenfield N, Leventhal JM: Utility of the chest x-ray in children with acute respiratory disease. (Presented at the 26th Meeting of the Ambulatory Pediatric Association, May 8, 1986)
22. Rubin DK, Krasilnikoff PA, Leventhal JM, Berget A: Effect of passive smoking on birthweight. (Presented at the 56th Meeting of the Society for Pediatric Research, May 8, 1986)

Talks in England 7/86 - 6/87:

1. "Perinatal Risk Factors for Child Abuse" Department of Psychological Medicine, Hospital for Sick Children, Great Ormond Street, London 10/7/86
2. "Sexual Abuse: A Pediatric Perspective" Royal Alexandra Children's Hospital, Brighton 11/17/86
3. "Breast-Feeding and Infection" Department of Epidemiology, Institute of Child Health, London 11/21/86
4. "Predictors of Child Abuse" The Park Hospital for Children, Oxford 1/16/87
5. "Medical Evaluation of Sexually Abused Children" Pediatric Grand Rounds, Hospital for Sick Children, Great Ormond Street, London 2/4/87
6. Discussant at National Conference on "The Early Prediction and Prevention of Child Abuse and Neglect." University of Leicester, 3/25-27/87
7. "Medical Evaluation of Sexually Abused Children" Standing Committee on Sexually Abused Children (South London), London 4/29/87
8. "Perinatal Risk Factors of Child Abuse" Department of Pediatrics and Child Health, St. James's (University) Hospital, Leeds 4/30/87
9. "Evolution of a Disease" A National Symposium on Child Sexual Abuse, The London Hospital Medical College, London 5/20/87
10. "Perinatal Predictors of Child Abuse" Departmental Conference of Child and Adolescent Psychiatry, Institute of Psychiatry, London 6/3/87
11. "Medical Exam of Sexually Abused Children" Pediatric Grand Rounds, Queen Elizabeth's Hospital, London 6/12/87

Abstracts and Presentations (continued)

23. Stier DM, Leventhal JM: Are children of young mothers at an increased risk of child maltreatment? (Presented at the 28th Meeting of the Ambulatory Pediatric Association, May 5, 1988)
24. Thomas SA, Leventhal JM, Rosenfield NS, Markowitz RI, Cicchetti DV: Fractures in young children: child abuse or accidents? (By title only 28th Meeting of Ambulatory Pediatric Association, 1988)
25. Leventhal JM, Thomas SA, Rosenfield NS, Markowitz RI, Cicchetti DV: How well do radiologists distinguish child abuse from accidents? *Pediatr Res* 1988; 323A

26. Vizard E, Wiseman MR, Leventhal JM, Bentovim A: Methodological problems in the assessment of child sexual abuse: Report on a blind-rated study of videotaped interviews of children suspected of having been sexually abused presented at the VII International Congress on Child Abuse & Neglect, September 26, 1988)
27. Leaf PJ, Horwitz SM, Leventhal JM, Speechley KM, Schwab-Stone M: Assessments of psychiatric caseness: Perspectives of pediatricians, teachers, and families. (Presented at the Annual Meeting of the American Public Health Association, No 11, 1988)
28. Leventhal JM, Berg AT, Brady C, Garber RM: Utilization of health services by children who were identified during the post-partum period as being at high risk of child abuse and neglect. (Presented at the 29th Meeting of the Ambulatory Pediatric Association, Plenary Session, May 5, 1989)
29. Stier DM, Leventhal JM, Berg AT: Accidental injuries in early childhood: Is young maternal age a risk factor? (Presented at the 58th Meeting of the Society for Pediatric Research, Poster Session, May 1, 1989)
30. Rubin DH, Leventhal JM, Jekel JF, Kuo HS, Krasilnikoff PA, Weile B: The relationship between size of day care and infectious illness. (Presented at the 58th Meeting of the Society for Pediatric Research, Poster Session, May 3, 1989)
31. Horwitz SM, Leaf PJ, Leventhal JM, Speechley KN, Schwab-Stone M: Screening children ages 4-8 for psychosocial problems in primary care settings: How much do clinicians identify? (Presented at "Mental Health Services for Children and Adolescents in Primary Care Settings: A Research Conference," New Haven, June 12, 1989)
32. Leventhal JM, Thomas SA, Rosenfield NS, Markowitz RI: Skull fractures in young children: Do Characteristics of the fractures clearly distinguish child abuse from accidental injuries? (Presented at the 30th Meeting of the Ambulatory Pediatric Association, May 8, 1990)
33. Horwitz SM, Leaf PJ, Leventhal JM, Forsyth BWC, Speechley KN: Identification and management of psychosocial problems in pediatric primary care. (Presented at the 30th Meeting of the Ambulatory Pediatric Association, May 10, 1990)
34. Adler AG, Ezekowitz WJ, Kraemer DT, Sabbeth BF, Leventhal JM: Do diabetic children and their parents talk about the complications of the illness? (Presented at the 30th Meeting of the Ambulatory Pediatric Association, Poster Session, May 9, 1990)
35. Rude C, Leventhal JM: Highly mobile, previously homeless, and "Hidden Homeless" children: How prevalent in a pediatric primary care setting? (Presented at the 30th Meeting of the Ambulatory Pediatric Association, Poster Session, May 9, 1990)
36. Burger JA, Forsyth BWC, Leventhal JM, Leaf PJ, Horwitz SM: Psychological sequelae of medical complications during pregnancy. (Presented at the 30th Meeting of the Ambulatory

Pediatric Association, May 9, 1990)

37. Ihnat DHK, Leventhal JM, Cicchetti DV, Wasserman DR, Hamilton JP: A new instrument to improve the ability of non-experts to identify infants at risk of subsequent child abuse or neglect. (Presented at the 31st Meeting of the Ambulatory Pediatric Association, May 1, 1991)
38. Pew MC, Leventhal JM, Horwitz SM: Utilization of care by adolescents: Who starts when? (Presented at the 31st Meeting of the Ambulatory Pediatric Association, Poster Session, April 29, 1991)
39. Wasserman DR, Leventhal JM: Maltreatment of children born to cocaine dependent mothers. (Presented at the 31st Meeting of the Ambulatory Pediatric Association, May 1, 1991)
40. Horwitz SM, Leaf PJ, Leventhal JM, Forsyth BWC, Speechley KN: Identifying sources of discrepancy between pediatricians' diagnoses and the Child Behavior Checklist. (Presented at the 31st Meeting of the Ambulatory Pediatric Association, May 1, 1991)
41. Forsyth BWC, Leaf PJ, Horwitz SM, Leventhal JM: Refinement of the child vulnerability scale. (Presented at the 31st Meeting of the Ambulatory Pediatric Association, May 1, 1991)
42. Rude CS, Leventhal JM, Horwitz SM, Stier DM: Maltreatment of young children born to teenage mothers: A comparison between the late 1960's and the early 1980's. (Presented at the 31st Meeting of the Ambulatory Pediatric Association, Plenary Session, May 2, 1991)
43. Dobbs SE, Leventhal JM: Intergenerational patterns of child abuse: Do girls who were abused grow up to maltreat their children? (Presented at the 32nd Meeting of the Ambulatory Pediatric Association, Plenary Session, May 7, 1992)
44. Leventhal JM, Horwitz SM, Leaf P, Speechley K, Forsyth B: Training in behavioral pediatrics does make a difference! (Presented at the 32nd Meeting of the Ambulatory Pediatric Association, May 5, 1992)
45. Forsyth BWC, Wasserman DR, Leventhal JM: Hospitalization of children born to cocaine-using mothers. (Presented at the 32nd Meeting of the Ambulatory Pediatric Association, Poster Session, May 5, 1992)
46. Horwitz SM, Leventhal JM, Leaf PJ: Family factors influence psychosocial diagnoses. (Presented at the 32nd Meeting of the Ambulatory Pediatric Association, Poster Session, May 6, 1992)
47. Ertem I, Leventhal JM, Dobbs SE: Does maltreatment beget maltreatment? (32nd Meeting of the Ambulatory Pediatric Association, Abstract only, May, 1992)

48. Leventhal JM, Horwitz SM, Rude CS, Stier DM: Maltreatment of young children born to teenage mothers: A comparison between the late 1960s and the early 1980s. (Presented at the 9th International Congress on Child Abuse and Neglect, August 30, 1992)
49. Wasserman DR, Leventhal JM: Maltreatment of children born to cocaine dependent mothers. (Presented at the 9th International Congress on Child Abuse and Neglect, September 1, 1992)
50. Plichta SB, Horwitz SM, Leventhal JM, Leaf PJ: Household violence and use of pediatric services. (Presented at the 33rd Meeting of the Ambulatory Pediatric Association, May 5, 1993)
51. Homer CJ, Perrin JM, Bloom S, Szilagyi PG, Rodewald L, Greenspan P, Leventhal JM, Finkelstein D, Mitra M: Variations in asthma care across three communities. (Presented at the 33rd Meeting of the Ambulatory Pediatric Association, Plenary Session, May 6, 1993)
52. Falcone S, Leventhal JM: Placement of children born to women who received no prenatal care. (Presented at the 33rd Meeting of the Ambulatory Pediatric Association, Poster Session, May 4, 1993)
53. Leventhal JM, Forsyth, BWC, Qi K: Maltreatment of children born to cocaine-using mothers: A population-based study. (Presented at the 34th Meeting of the Ambulatory Pediatric Association, Plenary Session, May 5, 1994)
54. Heneghan AM, Horwitz, SM, Leventhal JM: Do intensive family preservation services really work? (Presented at the 34th Meeting of the Ambulatory Pediatric Association, May 3, 1994)
55. Ertem I, Votto, N, Leventhal JM: Why do inner-city women stop breast feeding? (Presented at the 34th Meeting of the Ambulatory Pediatric Association, Poster Session, May 2, 1994)
56. Klig JE, Flomenbaum MA, Leventhal JM, Qi K: Guns, drugs, and alcohol: Teenage homicide victims in New York City. (Presented at the 34th Meeting of the Ambulatory Pediatric Association, Poster Session, May 5, 1994)
57. Thyen U, Leventhal JM, Yazgerdi SR, Perrin JM: When do clinicians suspect abuse and neglect in hospitalized children? (Presented at the 34th Meeting of the Ambulatory Pediatric Association, Poster Session, May 5, 1994)
58. Forsyth BWC, Leventhal JM, Qi K: Hospitalization of children born to cocaine-using women. (Presented at the 56th Annual Scientific Meeting of the College on Problems of Drug Dependence, June 22, 1994)
59. Vargus J, Leventhal JM, Sundaram V: Long-term follow-up of newborns identified as being at high risk of abuse or neglect. (Presented at the 35th Meeting of the Ambulatory Pediatric Association, Poster Session, May 9, 1995)

60. Barthauer LM, Leventhal JM: Prevalence and effects of child sexual abuse in a poor, rural community in El Salvador. (35th Meeting of the Ambulatory Pediatric Association, Abstract only, May 1995) (Presented at the 11th Meeting of the International Society for the Prevention of Child Abuse and Neglect, August 1996)
61. Avni-Singer AJ, Forsyth BWC, Leventhal JM, Liu X and Zhang H: Does prenatal cocaine exposure influence postnatal growth among full-term infants? A population-based study. (Presented at the 36th Meeting of the Ambulatory Pediatric Association, May 8, 1996)
62. Weitzman CC, Schonfeld DJ, Leventhal JM, Cicchetti DV: Working with the underserved in primary care settings: How do pediatric residents respond? (Presented at the 36th Meeting of the Ambulatory Pediatric Association, May 8, 1996)
63. Christian C, Pinto-Martin J, Leventhal JM: Association of domestic violence and child abuse: How good is the evidence? (36th Meeting of the Ambulatory Pediatric Association, Abstract only, May 1996)
64. Thomas DE, Leventhal JM, Friedlaender E: Referrals to a hospital-based child abuse committee: Changes from the 1960s to the 1990s. (Presented at the 37th Meeting of the Ambulatory Pediatric Association, Poster Session, May 2, 1997)
65. Frehm E, Leventhal JM: Postpartum parenting measure used to predict maltreatment or placement in children whose mothers used cocaine during pregnancy. (38th Meeting of the Ambulatory Pediatric Association, Abstract only, May 1998)
66. Campbell CH, Leventhal JM, Ihnat DI, Cicchetti DV: Predicting child maltreatment in the postpartum period using a structured clinical rating scale. (Presented at the 39th Meeting of the Ambulatory Pediatric Association, Poster Symposium, May 1, 1999)
67. Leventhal JM, Daley AM, Sadler LS, Cromwell HR: Clinicians= perspectives on reproductive health care services for adolescents with negative pregnancy tests. (39th Meeting of the Ambulatory Pediatric Association, Abstract only, May, 1999)
68. Jain A, Concato J, Leventhal JM: How good is the evidence linking breastfeeding and intelligence? (Presented at the 39th Meeting of the Ambulatory Pediatric Association, Poster Session, May 4, 1999)
69. Kerker B, Horwitz SM, Leventhal JM, Leaf PJ: Domestic violence: What parents and pediatricians report. (Presented at the 39th Meeting of the Ambulatory Pediatric Association, Poster Symposium, May 4, 1999)
70. Chandra S, Leventhal JM, Horwitz SM, Kerker BD: Rates of child maltreatment over three decades in children born to adolescent mothers. (Presented at the National Meeting of the

71. Weitzman CC, Freudigman KA, Leventhal JM: Making the most of the pediatric visit: An RCT to train residents to highlight social-emotional development. (Presented at the National Meeting of the Pediatric Academic Societies, May 16, 2000)
72. Giardino AP, Montoya LA, Leventhal JM: Assessment of financial issues surrounding child abuse diagnostic evaluations: A nationwide survey of medically-oriented teams. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 14, 2000)
73. Leventhal JM, Campbell CPH, Ihnat DHK, Cicchetti DV, Cohen RC: The use of a structured clinical rating scale in the postpartum period to predict child maltreatment (Presented at the Meeting of the International Society for the Prevention of Child Abuse and Neglect, September, 2000)
74. Leventhal JM, Chandra S, Horwitz SM, Kerker BD: Rates of child maltreatment over three decades in children born to adolescent mothers. (Presented at the Meeting of the International Society for the Prevention of Child Abuse and Neglect, September, 2000)
75. Harada CN, Leventhal JM, Takizawa CM, Kerker BD: Unintentional injury or abuse in infants and toddlers: A view from the Emergency Department. (National Meeting of the Pediatric Academic Societies, Abstract only, April, 2001)
76. Harada CN, Leventhal JM, Takizawa CM, Kerker, BD: Maltreatment rates among injured children under three years of age. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 1, 2001)
77. Kerker BD, Horwitz SM, Schlesinger M, Leventhal JM, Forsyth BWC: Decision-making for high risk newborns: The impact of a child welfare policy. (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 1, 2001)
78. Kerker BD, Horwitz SM, Leventhal JM, Schlesinger M, Forsyth BWC: Providers= attitudes and values or patients= clinical factors: Predictors of providers= decisions to screen pregnant women for cocaine use. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 6, 2002)
79. Leventhal JM, Walls TA, Cohen RC, Johnson L, Bonilla A, Bryant E, Seitz VR: Do volunteer mentors improve the parenting of young inner-city mothers?: a randomized a trail. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 2003)
80. Senturias YSN, Walls TA, Leventhal JM, Seitz VR: The effects of a volunteer-based home visiting program on the health-seeking behaviors of young inner-city mothers. (Presented at the National Meeting of the Pediatric Academic Societies, May 2003)
81. Senturias YSN, Muehlenbein CH, Leventhal JM, Seitz VR, Walls TA, Apfel NH, Johnson L and Bonilla A: Effects of a volunteer-based mentoring program on the health-seeking

- behaviors of young, inner-city mothers. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 4, 2004)
82. Lord JC, Bernstein BA, Leventhal JM and Scribano PV: Appropriateness of child abuse reporting in young children with long-bone fractures. (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 2004)
 83. Seitz VR, Leventhal JM, Apfel NH, Johnson L, Bonilla A, Walls TA, Muehlenbein C and Senturias YSN: Post-treatment effects of a volunteer mentoring program on the parenting practices of young, inner-city mothers: A randomized trial. (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 2004)
 84. Ellingson KA, Leventhal JM, Weiss H: Using hospital discharge data to estimate the incidence of inflicted head trauma in infants: A comparison with prospective studies (Presented at the 9th International Family Violence Research Conference, Poster Session, July 2005)
 85. Leventhal JM, Ellingson KA, Weiss H: Using hospital discharge data to estimate the incidence of inflicted head trauma in infants: A comparison with prospective studies (Presented at the Helfer Society meeting, October 2005)
 86. Ellingson, KA, Leventhal JM, Weiss H: Using hospital discharge data to estimate the incidence of inflicted head trauma in infants. (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 2, 2006)
 87. Leventhal JM, Ellingson, KA: Using hospital discharge data to measure the incidence of inflicted childhood neurotrauma. Symposium on measuring the incidence of inflicted childhood neurotrauma (Shaken Baby Syndrome), Seattle, WA. October 5-6, 2006
 88. Leventhal JM: Are abusive fractures in young children becoming less common? Changes over 24 years (Presented at the National Meeting of the Helfer Society, November 14, 2006)
 89. Leventhal JM, Martin KM, Asnes AG: National U.S. rates of abusive fractures in children <36 months of age (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 7, 2007)
 90. Bechtel KA, Le K, Leventhal JM, Colson ER: Knowledge of shaken baby syndrome among caregivers of young infants in an urban primary care center (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 5, 2007)
 91. Tien I, Leventhal JM, Parker V, Bauchner H: What should hospital-based child protection teams do? (Presented at the National Meeting of the Pediatric Academic Societies, Poster Session, May 5, 2007)
 92. Leventhal JM, Asnes AG, Martin KD: Injuries due to abuse vs accidents in a large U.S. database of hospitalized children (Presented at the National Meeting of the Helfer society, October 23, 2007)

93. Keenan HT, Leventhal JM: A case-control study to assess Utah's shaken baby prevention program (Presented at 136th American Public Health Association's Annual Meeting and Exposition (Poster Session, San Diego, CA, October 27, 2008)
94. Asomugha C, Desai R, Leventhal JM: Religiosity, spirituality, and depression in victims of child sexual abuse (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 5, 2009)
95. Leventhal JM, Martin K, Cole-Lewis H: U.S. data on the incidence of serious physical abuse in children (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 1, 2010)
96. Leventhal JM, McGuire L, Martin, KD: Consultations to child protective services: The role of expert opinions (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, April 30, 2011)
97. Sia JH, Leventhal JM, Northrup V, Arunyanart W, Edmonds D, Weitzman C.: Markers of maternal depression in an urban pediatric clinic (Presented at the Pediatric Academic Societies, Poster Session, May 3, 2011)
98. Leventhal JM, McGuire L, Martin KD: Consultations to child protective services: The role of expert opinions (Presented at the 12th ISPCAN European Regional Conference on Child Abuse and Neglect, Platform Session, September 20, 2011)
99. Leventhal JM: Getting your research published in an academic journal: Advice from a former Editor of Child Abuse & Neglect. (Presented at the 12th ISPCAN European Regional Conference on Child Abuse and Neglect, Platform Session, September 20, 2011)
100. Leventhal JM, Gaither JR: Has the incidence of serious physical abuse in children changed in the U.S. from 1997 to 2009? (Presented at the National Meeting of the Helfer Society, Platform Session, March 26, 2012 and the Pediatric Academic Societies, Platform Session, May 1, 2012)
101. Leventhal JM, Oates RO: Getting started with child abuse research (Workshop Presented at 17th ISPCAN Congress, September 12, 2012)
102. Leventhal, JM: "What can be learned about AHT from national databases?" (Workshop Presented at 12th International Conference on Shaken Baby Syndrome/Abusive Head Trauma Cambridge, MA, October 1, 2012)
103. Hooft AM, Asnes AG, Livingston N, Deutsch S, Cahill L, Wood J, and Leventhal JM: Identifying physical abuse in 4 children's hospitals: Accuracy of ICD codes. (Presented at h

104. Duffy JY, Hughes M, Asnes AG, Leventhal JM: Reports of child protective services (CPS) among participants in a child abuse and neglect prevention: Risk factors for substantiation of multiple reports. (Presented at the National Meeting of the Pediatric Academic Societies, Platform Session, May 4, 2013)

2014 to 2019: 2 to 4 presentations per year at national meetings
